

# bullfrogpowered businesses are supporting A CLEANER ENERGY FUTURE

"We are passionate about finding new and innovative ways to green our products' lifecycles in order to create a more sustainable world. Choosing green power with Bullfrog for our facilities is an important step on this journey."

**Jim Ecclestone**  
Owner and President  
Calstone Inc.

**CALSTONE INC.**  
Your Furniture Solutions Partner

"Flexahopper takes seriously our responsibility to help reduce the global environmental impact of our industry. By choosing green electricity with Bullfrog Power, we are reducing our footprint and supporting the development of renewable energy projects in Canada."

**Bill Spenceley**  
President and CEO  
Flexahopper Plastics

"At Maritime Geothermal Ltd., we are committed to the long-term sustainability of our energy sources. By bullfrogpowering our manufacturing areas, we are able to integrate sustainability into our day-to-day operations and to hopefully encourage our customers, employees and partners to do the same."

**Glenn Kaye**  
President  
Maritime Geothermal Ltd.
